参考書					

A 科目の概要	
This is a new optional course for the 4th year student who has a desire to further his/her progress in communicative English. Speaking and listening will be involved, of course, but we will also try some video comprehension, TOEIC practice, role playing and more if time allows.	
B 到達目標	
<p>To get the students to move from communicating by “reading” conversations to communicating in a “natural” conversation.</p> <p>To get students to think about various topics and formulate opinions about them. Then in turn, voice those opinions to others.</p> <p>To have students write dialogues and use those dialogues in role plays they have created.</p>	
C 長岡高専の学習・教育目標との対応	(B) [B5]
D 履修上の注意	
Tools needed each class - textbook, dictionaries, notebooks, printed materials.	
E 評価方法	
<p>Students will have conversations in pairs or groups and practice target language without written prompts. (33%)</p> <p>Students will present their opinions on a topic first to their small group members, then to the class. (33%)</p> <p>Students will write and perform “skits” based on a topic they have chosen. (34%)</p> <p>定期試験【50%】(前期中間(0), 前期末(20%), 後期中間(0), 後期末(30%))、その他の試験【50%】(oral presentation(20%)、role plays(20%)), レポート【0%】、その他【10%】(class participation)</p> <p>の割合で到達目標に対する理解の程度を評価する。60 点以上を合格点とする。</p>
