<b>参考書</b>					

<b>A 科目の概要</b>	
This course is a basic introduction to listening and pronunciation of English. Listening and hearing various native pronunciation styles will help prepare the students for future English courses. Students will also practice basic communication techniques.	
<b>B 到達目標</b>	
<ul style="list-style-type: none"> <li>• To teach critical listening skills and for practice in general listening strategies.</li> <li>• To allow students to hear various pronunciation styles.</li> <li>• To teach students to converse in natural English situations.</li> </ul>	
<b>C 長岡高専の学習・教育目標との対応</b>	
<b>D 履修上の注意</b>	
If students learn to enjoy English and participate, they can greatly improve their English fluency.	
<b>E 評価方法</b>	
<ul style="list-style-type: none"> <li>• Three quizzes worth 15 % each.</li> <li>• One practice dialogue worth 25% .</li> <li>• Attendance, attitude and participation will account for 30%.</li> </ul>	45% 25% <u>30%</u> 100
