参考書					

A 科目の概要	
In this course, the focus will turn to a more conversation based study with additional practice in listening, writing, reading, grammar and pronunciation. Student will spend time in pairs/groups engaged in conversations based around various topics, or grammar points.	
B 到達目標	
Students will move to a higher level of English communication and will be expected to move away from simple reading communication to more natural communication. Group presentations, role playing, situational discussions will be included.	
C 長岡高専の学習・教育目標との対応	()
D 履修上の注意	
Students must bring a Japanese/English and English/Japanese dictionary for their own resource. Notebooks are necessary also.	
E 評価方法	
*Evaluation will be by the following: Quizzes throughout the year, tests, oral presentations, oral role plays, class participation and attitude. *Homework based on the self study Audio CD. 上記の項目を総合的に評価し、50 点以上を合格点とする。
